

## Joy Within

Joy in the Holy Spirit serving Him,  
The power that lives within.  
Open the door and let Joy walk through,  
Expecting the best each day for me and you.  
Jesus first, others second, yourself last.  
All other things soon will pass.  
Being in the center of God's will brings joy each day,  
Doing whatever He calls you to do and say.  
All things are possible when He's at the helm,  
Why spend time being overwhelmed?  
The peace will come when all trust is in Him,  
Our hearts and souls are free from sin.  
Pray for Him to guide your way,  
Day by day in His own special way.  
Above all give him all the glory,  
And share His "Salvation Story".
