Newsletter - November 2011

*Watch what God will do as we join Him in what He's up to!*

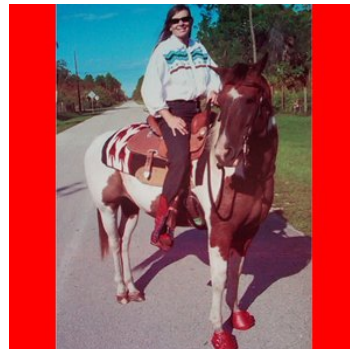

**Membership "kick-off" took place at First Baptist Church Naples, Florida on Sept. 17-18**

Founder Barbara A Hoff along with her husband and one of Red Shoes, Directors, Sheryl Wood manned a table with Red Shoes information and membership applications in front of the mission kiosk in the beautiful Commons at the church.

Second announcement at the church is set for Nov 12 & 13. Initial response was a blessing. Get together scheduled for 7 pm Tue Nov 15th.

One of the people who signed up for the Red Shoes "Prayer Walking" Ministry has already been in action in her neighborhood. She is *Linda Thomas*. Linda has been prayer walking and so has her horse. This is an great example of how we can "Change Neighborhoods and the World one step at a time". Note the red shoes on Linda and her horse. Linda spray painted an old pair of boots and covered her horses front hoofs with red boots also.
